

CERTIFICATE

This certifies that

Angela Cardoso

has earned the badge

ELT Under Review: Ethics, AI, and the Future of Teaching

CRITERIA

The earner of this badge attended the full 8-hour ELT Under Review programme. The earner engaged with keynote sessions, research and management talks, Presentation Islands, and a closing roundtable critically examining the impact of Artificial Intelligence on English language teaching, from classroom practice to teacher development and leadership vision. Attendance was verified by the organizing committee through the event's registration and participation records.
